SUBJECT: CESSATION OF HARD COPY PUBLICATION OF THE AIP

The CAA of Israel is hereby to inform that, as of Jan 1st, 2018, it will cease hard-copy publication of AIP package.

This shift in policy has been decided upon in recognition of the global shift towards use of digital media for AIP publication, and with an eye towards reducing the CAAI's environmental footprint. From that point onwards, all AIP Amendments will be published and be available for download, free-of-charge, on the CAAI website (as they are today).

Furthermore, the entire updated AIS package is published in PDF format on our website and available for free download for your use.

The publication can be found in the following link:

If you want to get a message when an Amendment is published please send an E-mail to this address with the contact information: aip@mot.gov.il

For any technical problems with the website or a problem downloading a file, please contact the CAAI at this E-mail address: aip@mot.gov.il
